Re: **OE1-A Reporting**

Dear Brothers and Sisters:

As a result of recent inquiries to this office in connection with International Secretary/Treasurer Jon Walters' letters to a number of Local Unions relative to OE1-A reporting, I have found the following information that is important to each of you:

Each Local who pays officers or designated representatives of the Local \$25.00 or more per month in salary is required to submit appropriate Railroad Retirement taxes and complete the OE1-A form.

This is not an IBEW policy, it is the law.

If further information is necessary, please contact your nearest Railroad Retirement Board office. Please govern yourself accordingly.

With best wishes, I remain

Fraternally yours,

Vic Janeczek
General Chairman, SC#2
