Subject: National Negotiations – Web Posting Clarification

Brothers and Sisters,

The question was recently raised by one of our Local Union Reps as to what is meant by “basically mirrors” in the web posting we made and emailed to all of you last Friday. So that there is no misunderstanding, with the exception of certain provisions of one of the CBG’s agreements, i.e. issues that may apply to a specific craft only, percentage wage increases and benefit changes are the same. Also, as with those other organizations, we have no work rule changes, something the railroads were striving for, in our tentative agreement. I am meeting later this week with the General Chairmen to discuss the ratification process.

If you have any questions pertaining to the foregoing, please don’t hesitate to contact me.

Fraternally & in Solidarity,

Bill Bohné, Jr.
