To All Railroad Local Unions Covered Under the National Agreement

Sisters and Brothers,

This is to advise you that the ratification vote was counted today on the tentative National Agreement. Ratification failed. As such, we will be going back into mediation with the railroads.

Additional information will be put out shortly via email and on the IBEW webpage.

Any questions, please don't hesitate to contact me.

Fraternally & in Solidarity,

Bill Bohné, Jr.
